Bethlehem Music Association

Bethlehem Central School District is the proud home of an outstanding music department composed of 16 music teachers, over 35 music performing ensembles and more than 4000 students from kindergarten through grade 12!

The Bethlehem Music Association (BMA) is the "booster club" for this amazing music program. As a registered 501(c)3 organization, our mission is to provide support for music education at the elementary, middle and high school levels of all Bethlehem schools.

What does The Bethlehem Music Association do?

The Bethlehem Music Association supports the music program in many ways which include both volunteer opportunities as well as financial support. Some examples of what the BMA has supported and provided over the past few years are music enrichment opportunities bringing in guest artists and conductors, helping fund music field trips, sponsoring the district music festival, providing refreshments for the faculty recital, supporting students in local, state, and national music festivals, providing scholarships for graduating seniors and providing volunteer help at NYSSMA festivals held at Bethlehem.
