Special Transportation Request

The Transportation Department will **AUTOMATICALLY** provide bus transportation for all registered elementary students who reside in the district from their **HOME ADDRESSES.**

If you need transportation to a **DIFFERENT ADDRESS** (other than your home address), fill out the following information below and **return ORIGINAL to 82 Van Dyke Rd, Delmar, NY 12054**, and send COPY to your home school no later than **August 1**. (The childcare provider and the NYS licensed day care must be within Bethlehem Central School District.) (Grades K-5 students can be transported to a licensed daycare outside their home school boundary, if the daycare/childcare is not licensed then Grades K-5 students can be transported within the HOME SCHOOL BOUNDARY ONLY, ***this applies to joint custody, we cannot transport outside of the home school boundary, we will only transport to one primary address***). This request **must** be renewed every school year and or whenever there is a change in childcare arrangement.

If you have any questions regarding transportation, please call the Transportation Dept. At 439-3830. (Please Note: Changes of childcare or day care/alternating locations will not be accepted from August 15 through to the third Monday of September.)
