Slingerlands Elementary is participating in Walk to School Day on Wednesday, October 5, 2016

Join children and adults around the world to celebrate
the benefits of walking and bicycling.

About our event:

The Slingerlands Elementary Family, with support from the PTO, is proud to be participants of
International Walk to School Day.

All walkers must arrive by 8:50 AM. Upon arrival everyone is invited to join together around the back
of the school for some fruit, water, activities and handouts. Once there you can learn about other
valuable health & safety information from the [Bethlehem Bicycle & Pedestrian Committee](#).

For more details including maps of adjacent sidewalks visit:

So please join us as we participate with families from around the world in this international event that
promotes health & builds community.
