

Planning for Sophomore Year

Fall

Pursue challenging coursework
Get involved! Continue/begin club/sport/volunteer activities
Participate in class so teachers get to know you
Consider registering for the October 15th PSAT if accelerated in math
Attend BCHS College Fair 9/29/16, 6:30 pm–8:00 pm

January

Career Program in Counseling Center: Complete Career Interest Profiler on Naviance; explore careers
Begin your resume and update your profile and email address in Naviance

February

Discuss course selection with your counselor- take the most challenging courses you can handle
Career and Technical Center field trip if interested in a CTE program for 11th grade

March

Research colleges & universities on Naviance; add to “Colleges I’m Thinking About”
Check out specific college websites – take a virtual tour if possible
Talk to your counselor or teacher if you are a candidate for taking an SAT II Subject Test

April

Register for the June SAT II Subject Tests (if you plan to take SAT II’s)
Career Fair 4/26/17, 10:30 am–12:30 pm
Continue to research career options and consider possible college majors that will help you achieve your goals

May

AP Exams
Consider a summer enrichment program, an internship, volunteer work or employment;
update your resume

June

Take the SAT II Subject Tests (if appropriate)
