SUNY Buffalo State College	University of New Haven
SUNY Canton	Utica College
SUNY Clinton Community College	Vermont Tech
SUNY Cobleskill	Wentworth Institute of Technology
SUNY College of Environmental Science & Forestry	Western Connecticut State University
SUNY Cortland	Western New England University

Remember, these individuals may be admitting you into the college that they represent.

To take full advantage of this opportunity, have a couple questions ready to ask college representatives.

A few examples might be:

-How many students apply each year? How many are accepted?

-How many students are there per teacher (student to teacher ratio)?

-How many students in last year's freshmen class returned for the sophomore year?
