

The Elsmere Elementary Garage Sale is back!

Help support the Elsmere PTA by participating in the Garage Sale

Saturday Sept. 23rd from 9am – 1pm

This years Garage Sale will be a combination of a community Garage Sale and an on-site Garage Sale.

Would you like to make some extra money, while supporting the PTA?

Option 1 - Rent a table at the on-site garage sale! Individuals can rent a table, or tables in advance for \$20 each.

You bring your items to the school and sell them yourself. **Any money you make is yours!**

Option 2 - Have your garage sale right at your house! For a \$20 donation to the PTA, your address will be listed in the Elsmere Garage Sale Guide which will be distributed to customers at the on-site garage sale.

You can even list big items that you are selling. We do the advertising for you!

Contact Wendi Quidort at wquidort@gmail.com or Liz Cartagena at lizcartagenapta@gmail.com to reserve your table or provide information to be listed in the guide. Tables must be reserved by Sept. 21 and guide entries must be submitted by Sept. 18

Do you prefer to not have to sort, tag and sell your stuff?

Option 3 – Donate your belongs to the Elsmere PTA to be sold at the PTA tables. There is a small donation fee of \$10 for two large bags or boxes of donations or \$5 for two small bags or boxes. All donations must be in working condition, contain all parts or pieces and be “sellable”. TVs, large appliances, mattresses and car seats are not accepted.

Don't want to sell, but would like to help out? Volunteers are needed! Use the Sign-up to volunteer or contact Wendi Quidort at wquidort@gmail.com.
