Invite a special guest (ie grandparent, aunt, uncle, family friend) to have Lunch with your student and shop the Elsmere Book Fair during Recess. Note that your guest and student may be eating lunch first or shopping the book fair first, depending on schedule below.

A Book Fair representative will be at the front door to greet the guests and help guide them to the correct location at the right time.

Remind your guests that they must sign in upon arrival and no visitors are permitted on the playground (good info for your student as well).
