

Spring Enrichment!

We are excited to offer a **bonus** enrichment season this spring. This smaller session will be run with minimal volunteers. We do however still need a responsible adult each day to ensure all the children get picked up. We are pleased to be able to offer some enticing incentives to these coordinators.

We will offer **priority enrollment** and **\$50 Scholastic Dollars** to the **four responsible families** that commit to being present one day of the week (Monday, Tuesday, Wednesday or Thursday) for all six sessions from 3:10 until the final student is picked up, around 4:30.

Email EagleEnrichment2018@gmail.com immediately if interested.

The 6 week spring session will be from the week of April 16-May 21. Each class is once a week.

**Enrollment begins Monday April 9th at 9pm.
All payment must be with credit card.**
