

PUBLIC SALES ON SCHOOL PROPERTY

The Board of Education (the Board) is aware of the importance of training each generation to be charitable, however, the Board will not provide agencies, groups, or individuals with unrestricted access to the captive audience of a school group. Therefore, except for those activities listed in the administrative regulations following this policy, solicitations, collections, and distribution of materials will not be permitted in school buildings, without prior approval of the superintendent.

Any fund drive must be sponsored by the Bethlehem Central School District (the District) , or a school-related organization (e.g., the Parent-Teacher Association).

The District will not provide lists of parents, students, their addresses, or phone numbers for the above-mentioned purpose.

Fund drives sponsored by the District requiring door-to-door solicitation must have the prior approval of the superintendent.
