

## SCHOOL BOARD POWERS AND DUTIES

The Board of Education (the Board) is the governing body of the Bethlehem Central School District (the District). The Board is entrusted with the responsibility of adopting the District budget and developing policies under which the District is managed.

The powers and duties of the Board are as stated in the Education Law and other applicable New York State law. Complete and final authority on all District educational matters, except as restricted by law, will be vested in the Board.
