December 18, 2018

Dear Parent/Guardian:

The Bethlehem Central Physical Education Department offers an **Athletic exemption option for Physical Education**.

The program is for seniors only who are in good academic standing in Physical Education, meet the fitness standards of the fitnessgram assessment, and are members of two Bethlehem Central Varsity Sports in their senior year.

The Athletic exemption is for two season Varsity Athletes, which will exempt the student from Physical Education for the year. The program is pass/fail grading and will not count towards a student class ranking and GPA. They will also not be eligible for the Capital Zone of the New York State Association Physical Education Leadership Award.

Deadline for submission is June 7, 2019. If you have questions regarding the exemption program, please contact the District Physical Education Department at 439-4921 x22048.

Sincerely,

Frederick C. Powers, C.A.A.  
Supervisor FACS, Health & Physical Education

I have received and read the information provided in the Request for **Physical Education Athletic Exemption** document. I understand in order to be approved all qualifications must be met and if I am no longer a member of a Bethlehem Central varsity athletic team I will be automatically enrolled in a physical education class. I further understand that depending on the length of time out of Physical Education prior to being enrolled I may not be issued credit and need to double up in Physical Education to graduate.
