

## DISPLAY OF THE FLAG

The Board of Education (the Board) believes that the flag of the United States is a symbol of the values of our nation, the ideals embedded in our Constitution, and the spirit that should animate the Bethlehem Central School District (the District).

The District shall purchase a United States flag, flag staff, and the necessary appliances for its display upon or near every school building. There shall be a flag on display in every assembly room of every school.

The flag shall be flown at full- or half-staff pursuant to law. In addition, the flag may be flown at half-staff to commemorate the death of a past or present Board member, past or present employee, or student.

Consistent with national and state law and regulations and this policy, the superintendent shall develop rules and regulations for the proper custody, care, and display of the flag.
