

Welcome

Bethlehem Central High School Sept/Oct 2019 Menu

The BCHS Kitchen is currently **UNDER CONSTRUCTION** - A fantastic new space is in the works, however in the meantime, our offerings will be limited by lack of our usual cooking equipment. We have created a menu of daily offerings to continue to serve you the best that we can! We will also have a weekly rotation of special offerings that we hope will keep you interested until we are back in full operation later this Fall. Thank you for your patience!
