HARASSMENT, HAZING, AND BULLYING REGULATION

This regulation sets forth detailed guidelines for reporting, investigating, and remedying allegations of harassment, hazing, and bullying at the Bethlehem Central School District (the District).

Reporting Complaints

Any victim or person with knowledge of harassment, hazing, and/or bullying by a student, District employee, or third party related to the District should report the complaint to a District staff member, who will immediately report it to a principal, building administrator, or Title IX coordinator as soon as possible after the incident so that it may be effectively investigated and resolved.

In order to assist investigators, individuals should document the harassment, hazing, and/or bullying as soon as it occurs and with as much detail as possible, including: the nature of the incident(s); dates, times, and places it has occurred; name of perpetrator(s); witnesses to the incident(s); and the victim’s response to the incident.

Confidentiality

It is District policy to respect the privacy of all parties and witnesses to complaints of harassment, hazing, and/or bullying. To the extent possible, the District will not release the details of a complaint or the identity of the complainant or the individual(s) against whom the complaint is filed to any third parties who do not need to know such information. However, because an individual’s need for confidentiality must be balanced with the District’s legal obligation to provide due process to the accused, to conduct a thorough investigation, or to take necessary action to resolve the complaint, the District retains the right to disclose the identity of parties and witnesses to complaints in appropriate circumstances to individuals with a need to know. The staff member responsible for investigating complaints will discuss confidentiality standards and concerns with all complainants.

If a complainant requests that his/her name not be revealed to the individual(s) against whom a complaint is filed, the staff member responsible for conducting the investigation shall inform the complainant that:

1. the request may limit the District’s ability to respond to his/her complaint;
2. District policy and applicable law prohibit retaliation against complainants and witnesses;
3. the District will not tolerate any retaliation against complainants and witnesses; and
4. the District will take strong responsive action if retaliation occurs.

If the complainant still requests confidentiality after being given the notice above, the investigator will take all reasonable steps to investigate and respond to the complaint consistent with the request, as long as doing so does not preclude the District from responding effectively to the harassment, hazing, and/or bullying and preventing the harassment, hazing, and/or bullying of other students or employees.

Investigation and Resolution Procedure

A. Initial (Building-Level) Procedure

Whenever a complaint of harassment, hazing, and/or bullying is received, whether verbal or written, it will be subject to a preliminary review and investigation. Except in the case of severe or criminal conduct, the principal, building administrator, or Title IX coordinator should make all reasonable efforts to resolve complaints at the
The goal of building-level procedures is to end the harassment, hazing, and/or bullying and obtain a prompt resolution to a complaint.

As soon as possible, but no later than three working days following receipt of a complaint, the principal, building administrator, or Title IX coordinator should begin an investigation of the complaint by:

- reviewing any written documentation provided by the victim(s);
- conducting separate interviews of the victim(s), alleged perpetrator(s), and witnesses, if any, and documenting the conversations; and
- providing the alleged perpetrator(s) a chance to respond and notify him/her that if objectionable behavior has occurred, it must cease immediately and that the individual may be subject to discipline.

Parents of student victims and accused students should be notified within one school day of allegations that are serious or involve repeated conduct.

Where appropriate, informal methods may be used to resolve the complaint, including but not limited to:

a. discussion with the accused, informing him or her of the District’s policies and indicating that the behavior must stop;
b. suggesting counseling and/or sensitivity training;
c. conducting training for the department or school in which the behavior occurred, calling attention to the consequences of engaging in such behavior;
d. mediation;
e. requesting a letter of apology to the victim;
f. writing letters of caution or reprimand; and/or
g. separating the parties.

Appropriate disciplinary action shall be recommended and imposed in accordance with District policy, the applicable collective bargaining agreement, or state and federal law.

The principal, building administrator, or Title IX coordinator shall report back to both the victim and the accused, notifying them in writing, and also in person as appropriate regarding the outcome of the investigation and the action taken to resolve the complaint. If the complaint involves a student, the parent(s)/guardian(s) will receive the notification. The victim shall report immediately if the objectionable behavior occurs again or if the alleged perpetrator retaliates against him/her.

If a complaint contains evidence or allegations of serious or extreme harassment, hazing, or bullying, the complaint shall be referred promptly to the superintendent. In addition, where the principal, building administrator, or Title IX coordinator has a reasonable suspicion that the alleged harassment, hazing, or bullying incident involves criminal activity, he/she should immediately notify the superintendent, who shall then contact the school attorney and appropriate child protection and law enforcement authorities.

Any party who is not satisfied with the outcome of the initial investigation by the principal, building administrator, or Title IX coordinator may request a District-level investigation by submitting a written complaint to the superintendent within thirty days.
B. District-Level Procedure

The superintendent shall promptly investigate and resolve all harassment, hazing, and bullying complaints that are referred to him/her, as well as those appealed to the superintendent following an initial investigation by a principal, building administrator, or Title IX coordinator. In the event the complaint involves the superintendent, the complaint shall be filed with or referred to the Board of Education (the Board) president, who shall refer the complaint to an appropriate individual for investigation.

The District-level investigation should begin as soon as possible, but not later than three working days following receipt of the complaint by the superintendent or Board president.

In conducting the formal District-level investigation, the District will endeavor to use individuals who have received formal training regarding such investigations or who have previous experience investigating such complaints.

If a District investigation results in a determination that harassment, hazing, or bullying did occur, prompt corrective action will be taken to end the misbehavior. Where appropriate, District investigators may suggest mediation as a means of exploring options of corrective action and informally resolving the complaint.

No later than thirty days following receipt of the complaint, the superintendent (or, in cases involving the superintendent, the Board-appointed investigator) will notify the victim and alleged perpetrator, in writing, of the outcome of the investigation. If additional time is needed to complete the investigation or take appropriate action, the superintendent or Board-appointed investigator will provide all parties with a written status report within thirty days following receipt of the complaint.

Student victims have the right to register complaints with the U.S. Department of Education’s Office for Civil Rights and the New York State Attorney General’s Office. Employee victims also have the right to register complaints with the federal Equal Employment Opportunity Commission and the New York State Division of Human Rights. Nothing in these regulations shall be construed to limit the right of the complainant to file a lawsuit in either state or federal court.

Retaliation Prohibited

Any act of retaliation against a person who files a complaint of harassment, hazing, or bullying is prohibited and potentially illegal, and therefore subject to disciplinary action. Likewise, retaliation against any person who has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing of a harassment, hazing, or bullying complaint is prohibited. For purposes of this policy, retaliation includes, but is not limited to: verbal or physical threats, intimidation, ridicule, bribes, destruction of property, spreading rumors, stalking, harassing phone calls, and any other form of harassment. Any person who retaliates is subject to immediate disciplinary action, up to and including suspension or termination.
Discipline/Penalties

Any individual who violates this policy by engaging in prohibited harassment, hazing, or bullying will be subject to appropriate disciplinary action. Disciplinary measures available to school authorities include, but are not limited to, the following:

Students: Discipline may range from a reprimand, up to and including suspension from school, to be imposed consistent with the student conduct and discipline policy and applicable law.

Employees: Discipline may range from a warning, up to and including termination, to be imposed consistent with all applicable contractual and statutory rights.

Volunteers: Penalties may range from a warning, up to and including loss of volunteer assignment.

Vendors: Penalties may range from a warning, up to and including loss of District business.

Other individuals: Penalties may range from a warning, up to and including denial of future access to school property.

Administrative employees who have specific responsibilities for investigating and resolving complaints of harassment, hazing, and bullying shall receive yearly training on this policy, regulation, and related legal developments.
