Hall of Fame Review

The Hall of Fame Committee will consider removal requests of membership if information is provided that warrants a review. The Hall of Fame Committee shall determine whether to allow proceedings for the removal of the individual in question. Upon review, if the Hall of Fame Committee supports the validity of removal, the information will be delivered to the Superintendent and Board of Education for further consideration. An inductee into the Hall of Fame may be eligible for removal from this honor based on one of the following circumstances:

- Any act, conduct or omission which is detrimental to the image or reputation of the Bethlehem Central School District
- An inductee’s conduct is inconsistent with the mission of the school district
- A majority of the committee would need to vote to make the recommendation for removal

Accusations must have a basis in documented proof and must be reported, in full, with evidence to the Hall of Fame Committee. Rumors, hearsay, and gossip of misconduct are not grounds for removal. Undocumented claims will not be considered.
