

# Glenmont Elementary PTA Directory & Membership

Welcome Glenmont families!

We encourage you to be listed in the online PTA Directory. It is a great resource for contacting families, getting class lists, and arranging activities/carpools. While a paper directory will **not** be sent home, you can download a printable list.

Key features of DirectorySpot:

- Access is granted annually and is only available to those listed in the directory
- Provides one touch access to call, text, e-email and map addresses
- Allows for group messaging – great for room parents
- Only need one login if you have students in multiple schools using DirectorySpot
- The directory can be accessed via the app (Apple/Android compatible) for quick reference or from your home computer
