

2022-23 Glenmont Elementary PTA Membership & Directory

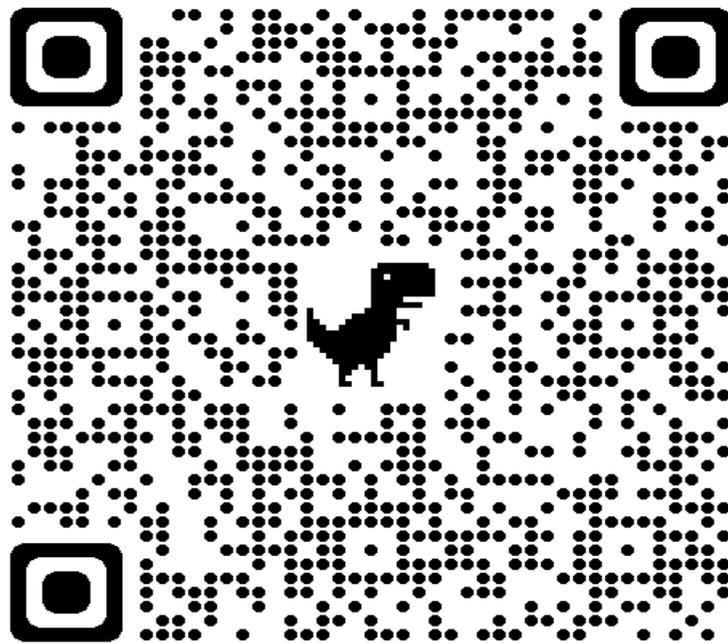

Welcome Glenmont Families! We encourage you to join the PTA this year and be listed in our digital directory of Glenmont families. By joining, you are helping the PTA offer various educational opportunities, social events, and community/school spirit activities throughout the school year. The directory is a great resource for contacting families, getting class lists, and arranging activities/carpools.

Note that the directory process has been completely digitized - no paper membership forms or final directories will be sent home. Rather, an electronic version will be emailed in October to those that purchase the directory.

If you have any questions, please reach out to:

- Lia Barbadoro, amelia.barbadoro@gmail.com
- Bethanie Beschle-Fagerquist, bbeschle@hotmail.com

Use the QR code below to access the membership form. Please submit the form and payment no later than **October 1st, 2022**.

Thank you for your continued support!
