

2023 - 2024 PTA DIRECTORY & MEMBERSHIP

PTA membership helps support PTA sponsored events and gives you access to the Hamagrael Directory. The Hamagrael Directory is a great tool to connect with other Hamagrael families. Only members of the PTA have access to the directory.

PTA Use Only:

Paid: Cash/Check

Here are just a few great features of the Directory Spot app:

- *The app is completely secure and accessible by only those listed in it.*
- *You can search for students by class or name.*
- *You can call and email by clicking on the links within the app.*
- *It's always with you & you don't need an internet connection after your first log in.*
- *If your contact information changes during the school year, it can be easily updated.*
- *You can print out a paper directory from your home computer.*

Instructions on how to use the app will be sent to users once all the information is uploaded.

PTA MEMBERSHIP

We encourage both parents to be members. Dues cover the cost of the directory and support PTA events.

- ***TWO PARENT MEMBERSHIP \$21*** (both parents receive access to the directory)
- ***SINGLE MEMBERSHIP \$12*** (only one parent will receive access to the directory)

Please return cash or check to school by **Friday, September 29th** in an envelope with **YOUR NAME/Hamagrael Directory**. Checks should be payable to **Hamagrael PTA**.
