

BETHLEHEM MUSIC ASSOCIATION

Bethlehem Central School District is the proud home of an outstanding music department composed of 16 music teachers, over 35 music performing ensembles and more than 4000 students from kindergarten through grade 12!

The Bethlehem Music Association (BMA) is the "booster club" for this amazing music program. As a registered 501(c)3 organization, our mission is to partner with educators, students and families to support the music program and student musicians at the elementary, middle and high school levels of all Bethlehem schools. We support all students in our renowned band, chorus, and orchestra programs across all grade levels.

Our focus this year is on working with the faculty to provide as many enrichment opportunities for our students as possible this year. In the past, we have been able to bring in programs like guest conductors and musicians from around the world. Countless studies have shown how important music is to a child's growth and development. In addition to enrichment opportunities, BMA also supports all students in local, state, and national music festivals.

How much does it cost to become part of the BMA?
