The Student and _____, the Student's parent/guardian (the "Parent") (if the Student is under eighteen (18) years of age or not otherwise emancipated), have requested permission for the Student to be permitted to drive himself/herself to the BOCES Career and Technical School.

By signing below, the Parent and the Student acknowledge that they have read, and agree to comply with, the District's "Student Drivers Policy" and "Student Drivers Administrative Regulation," which are attached to this Consent & Liability release Agreement.
