

The BCHS PTO
Bethlehem Central Community Organization (BCCO)
Annual Membership Drive

On behalf of the BCHS PTO-Bethlehem Central Community Organization (BCCO), we would like to welcome you to the new school year. The BCCO is a volunteer organization network of parents, teachers, administrators, and students who work together to keep you informed about current high school and district issues, promote a productive and safe learning environment, and provide volunteers and financial support for student activities.

Our yearly membership drive is the BCCO’s primary funding resource – we encourage all high school families, teachers, and staff to join the BCCO - your contribution will help to ensure that the BCCO can continue to support our students and school.

Each year the BCCO provides hospitality at the high school Open House night, organizes the high school Assignment Planner sale, provides several scholarships to graduating Seniors, provides funding and hospitality for the Senior Awards event, provides funding for the Graduation Celebration, coordinates and co-sponsors events with other BC schools, and works to meet additional student/teacher/administrator needs, as requested.
