

Welcome to Bethlehem Schools! STAY CONNECTED TO BETHLEHEM IN MANY WAYS

For a large portion of the day, you leave your kids in our care. The education of the students in our community is a responsibility we don't take lightly, and something we know doesn't stop when students leave school. Working together has always been a huge part of our process, so please stay connected!

District Website

Aspen

www.bethlehemschools.org/aspen

Aspen is a password protected parent portal that offers parents and students online access to a secure site with personalized information about a student's academic program and progress.

Student report cards and bus schedules are posted here, as well as interim reports and academic schedules for students in grades 6-12. Some teachers also use Aspen to post assignments and to communicate with individual students/families.

Important contact information is stored in Aspen and used by our schools in the event of an emergency. Please be sure you keep this information updated.

Introducing School Messenger

If you're looking for school news, look no further than your inbox! School Messenger will fully replace the district's School News Notifier (SNN) email notification system as of January 1, 2019. School Messenger is a more effective mass notification system that allows district and school leaders to communicate with families quickly via email, phone and text messages. The district has been using School Messenger for email and in 2018-19 will introduce text messaging and phone messaging for emergency notifications (i.e. weather-related closings or delays) or when time-sensitive information needs to be shared. Email will remain the primary means of communication with School Messenger.

It is important to note that School Messenger uses the contact information stored in Aspen to reach parents. To be sure your family's primary contact information is up-to-date (including cell phone numbers), please review that information in the Aspen Parent Portal. Any changes to contact information should be emailed to District Registrar Melissa Haas at mhaas@bethlehemschools.org.

School Calendar for Events

Would you like up-to-date event information about your school's and even district events? A comprehensive online calendar is available at www.bethlehemschools.org/calendar.

You can view multiple calendars on this one webpage, so if you have children in multiple schools, you can view events for both in one place. Also available on this website are directions on how you can sync the calendars for our individual schools to your mobile devices.

Bethlehem believes that strong parents help develop strong students. We want to thank the parents of Bethlehem for their continued engagement in the education of the children in our community. *We want to offer you a way to be even more engaged.*

Parent Today is an award-winning opt-in e-mail newsletter delivered to subscribers' inboxes twice a month. The information it provides allows us to foster stronger connections between families and our schools and encourages parents to be *even more* involved in the education of their children. We hope you'll sign up, it's free!

SIGN UP FOR PARENT TODAY!

To sign up for Parent Today, families can visit bethlehemschools.org, click on the "Parent Today" icon and follow the on-screen instructions. Or, sign up at parenttoday.org.
